General Education Learning Alternative Options – Pathways Program (gr. 6/7)

PATHWAYS PROGRAM MISSION, VISION, AND KEY PROGRAM COMPONENTS

Mission: To provide at-risk middle level students a non-traditional option for academic and social development.

Vision: To offer truly innovative and unique programming to increase student engagement, student learning, and student success in school.

Key Program Components:

- Serves grades 6 and 7
- Small class size (maximum of 12 total students)
- Daily, uninterrupted 90 minute literacy block
- Exploratory class offerings
- Daily skills development period
- Hands-on learning

The Pathways Program is housed at Twin Bluff Middle School in Red Wing and is a 'school-within-a-school', which means that the students spend 50% of their day together as a cohort and 50% of their day with their grade level peers.
