

Extra Distance Award

This certificate is awarded to

Abby Wiley

**Your daily walk alongside children has taught them how to walk, and your example...where to walk.
Your footprints will be the stepping stones to their future**

Abby is deserving of the Extra Distance Award because of her dedication to the STEP Program, her ability to challenge the students, and her passion for continual growth. She is inspirational and motivational to those around her. She is organized and creative which give her the ability to find new and exciting approaches to motivate the students. In addition to being a great teacher for the students, she supports staff and does what she can to help others. Her hard work is appreciated and doesn't go unnoticed.
