

Interpreting Data

Screening

- What percentages of students met benchmark at fall, winter, and spring?
- How many students made adequate growth?
- How effective is Tier 1 core instruction?
- What instructional changes are needed?
- Consider the needs of students in the
 - ✓ **District**
 - ✓ **Schools**
 - ✓ **Classes**

Analysis and Intervention

- Which students should be placed into intervention as soon as school starts in the fall?
- What interventions do they need?
- How will interventions be selected?
- How will progress be monitored?

Progress Monitoring

- Which progress measures are best for selected interventions?
- How often should students be monitored?
 - ✓ FastBridge recommends weekly?
- How often will data be reviewed?
 - ✓ Monthly reviews are suggested
 - ✓ Most students need 9-12 data points to show progress

Communicating with Parents

- FastBridge parent letters
 - ✓ Screening
 - ✓ Progress Monitoring
- Progress Monitoring reports
- Student-at-a-Glance Report
