

PARENT SUPPORT FOR MENTAL HEALTH

Parent support Group for families of children with mental health disorders

Join us for 6-weeks of support for parents struggling with their children. You will have an opportunity to express thoughts and feelings related to your experiences. We will work on coping skills for all to help manage stressful events and improve resiliency. We will discuss family systems and communication. You will experience a welcoming environment which will consist of teaching, discussion, and support. NO cost to participants, transportation available, and refreshments will be provided!
