Dear River Bluff Education Center families,

Since in-person school has been suspended, the River Bluff Education Center staff have been delivering lunches to families who have requested that service. Our last delivery date for these lunches will be on Wednesday, June 3. The delivery on that day will include food for June 3, 4, 5, 6 and 7.

If you wish to gather more information on what your resident district has available for possible food service summer programs, see the links below. If you have questions, please email me directly or ask your student's teacher for more information.
